Okay, got it.

Here is an estimate of what the insurance requirement for your event might be. Just be completely aware that this is an estimate and it may change once we hear back from Risk Management.

Insurance:

Permittee shall furnish Permittor with evidence of Commercial General Liability including Liquor Liability insurance in an amount not less than \$1,000,000.

Let us know if you have any questions.

Hi Rauhman,

Thanks for responding. No cars will be in the lot during the event.

Our staff will be working this event.

This includes:

Lorena Parker  
Joe Pielago  
Gianine Rizzi  
Danisha Hall  
Marco Duvall

That is it for staff. The rest of our event is contracted out vendors such as DJ's etc..., but they are not in the parking lot.

I think that would be a great idea to send me what you think they will require.  
Please send as soon as you can.

Let me know what else you need from me.

Thanks,

Good Morning Gianine,

To double check regarding your event on August 30, 2017. Will there be any employees working during this event? Will there be any cars driving on the lot during this event?

We still haven't heard from our Risk Management team but I looked up an old permit that did something similar so I may just send you those requirements as an idea of what our Risk Management may determine.

Hi Rahman,

Per our last email communication, you were still waiting for Risk Management to provide you with the required insurance criteria for our permit for the parking lot. I was wondering if we could complete anything else in the meantime to help with the process. Waivers, etc..?

Secondly, you mentioned we could transfer our deposit check from the last event to this next one. Is there a form or something that needs to be completed to make sure this is accounted for?

We are two weeks out so I am trying to expedite things as much as possible. Our overall insurance policy is on hold until we can include all the required coverages include the required from Risk Mgmt. We are really trying to wrap it up so we can upload to Track 4 LA, and finalize everything.

Please advise as soon as possible.  
Thanks in advance. Your assistance is greatly appreciated.
